

InstaCleanCIP: The Ultimate Coil Cleaning Solution

Professional strength cleaning power packed into premeasured 4oz cleaners. Experience the unbeatable combination of professional strength and unmatched convenience with InstaCleanCIP, the all-purpose coil cleaner that gets the job done efficiently.

READY TO MIX | EASY TO CARRY | PROFESSIONAL STRENGTH

InstaCleanCIP offers the perfect combination of cleaning power and convenience for HVAC-R professionals.

Why Choose InstaCleanCIP?

- Premeasured: Each 1.5 lb pouch contains six 4oz cleaners, providing up to six gallons of professional-grade coil.
- Customizable: Mix to your desired strength for a powerful cleaning solution tailored to your needs.
- Mix onsite: No need to ship or haul water.
- Inexpensive & Easy to Use: Simply add one quick-dissolving cleaner to a gallon sprayer, shake thoroughly, and start cleaning. Adjust the solution strength as desired.

Benefits

No Waste: Premeasured cleaners mean no wasted product

Safe for All Coils: Suitable for any coil type, providing peace of mind

Transport Friendly: Won't spill, leak, or separate, and eliminates transport hassles.

Corrosion Inhibitor: Protects coils while cleaning, extending their lifespan.

Shipping Costs: Lightweight powder reduces shipping fees compared to liquid alternatives.

Storage Space: Compact pouches are easier to store than bulky liquid containers.

Service Van Friendly: Spill a cleaner? No problem-just sweep it up, unlike messy premixed solutions.
