

Polymers VS Tablets

Why Controlled Release Technologies' Polymers
Outperform Traditional Tablets

One Strip = 6
Months Of Protection

Clean Pan and
Drain Lines

Reduced Labor Costs

Frequent Tablet Replacement
Increases Labor Cost

Rusted Pan and
Clogged Drain Lines

Weekly/Monthly PM needed
Costing Valuable Time

More Reasons to Try Polymers

- Leaves No Residue
 - Odorless
 - Non-Corrosive
- Sized By Unit Tonnage - No guess work

Try our Polymers once and you'll never go back to tablets again!
