

Tech Sheet — InstaCleanCIP

■ Product Overview

InstaCleanCIP is a professional coil cleaner in powder form designed for food and beverage facilities, HVAC/R systems, and other coil maintenance applications. A 4 oz. bag mixes up to 1 gallon of cleaner, delivering cost-effective and efficient cleaning performance.

- Form: White & green powder
- Primary Use: Non-acid coil cleaning solution for grease, dirt, and buildup
- Packaging: PK6, PK12

■ Key Benefits

- Removes grease, dirt, dust, hair, dander, and other debris
- Quick-dissolving formulation saves time and labor
- Includes corrosion inhibitor to help prevent damage to coils
- Effective on all coil types
- Lightweight, compact packaging — saves storage space

■ Application

Mix 4 oz. bag into water to yield 1 gallons of ready-to-use cleaner.
Apply with sprayer, foamer, or other coil cleaning equipment.
Formula helps penetrate coil structures for thorough cleaning.

■ Safety & Handling
